

Run your AC on
Sleep Mode at night.
Save power
and money*.

Did you know that by just setting the AC on Sleep Mode while you snooze, you'll be comfortable all night and even save on power bills.

Voltas presents Sensible Cooling. A few small things you can do that will make a big, big difference. Things that lower running costs of every AC and enhance comfort. Saving you power and money. Just like our unique Sensible Cooling Technology does in every BEE Star-rated energy-efficient Voltas AC. Engineered to give you more efficient cooling, and greater power saving.

Choose energy-efficient Voltas AC's with higher BEE Star Rating.
More stars mean more savings.

India ka dil. India ka AC.
