This is an initiative to simplify insurance. *The minimum cover in Wealth and Education insurance plans is 5 times the annual premium (Life cover is optional for retirement plan). With our education insurance plans, in the unfortunate event of death of the parent (life assured), we not only pay the sum assured but also continue the policy by paying all future premiums. The benefits shown are illustrative & not guaranteed; it depends upon the market performance and may vary from product to product.

IN THIS POLICY, THE INVESTMENT RISK IN THE INVESTMENT PORTFOLIO IS BORNE BY THE POLICYHOLDER. Returns are illustrative, assumed for 30 year old healthy male and is net of all charges and service tax and education cess. Since our policy offers variable returns, the above illustration shows two different rates (6% p.a. and 10% p.a. as per the guidelines of Life Insurance Council) of assumed future investment returns. The annuity amounts have been calculated based on indicative annuity rates and are subject to change from time to time. For more details on the risk factors, terms and conditions please read the sales brochure carefully before concluding the sale. Unlike traditional products, ULIPs are subject to market risk, which affect the NAVs and the customer shall be responsible for his/her decision. The names of the Company, Product names or fund options do not indicate their quality or future guidance on returns. Funds do not offer guaranteed or assured returns. Investments are subject to market risk.
