

LAVASA

Who Dr Prathap Reddy, Apollo Group.

Where Lavasa Hill City, Pune.

When 2010

What The state-of-the-art integrated healthcare facility and wellness centre will provide world-class facilities for rejuvenation, health education, research, multi-specialty services. The wellness cluster will have facilities for complementary and alternative medicine, nutrition, preventive care, a medical and rejuvenation spa. Long-term care will include rehabilitation services for patients.

Dr Naresh Trehan

Ace cardiologist and hospital builder, Trehan, had come up with Escorts to offer world-class treatment and technology in India. This time around, he has moved up the healthcare delivery ladder with a medcity—the most “it” idea in the hospital business. The Rs 1,000-crore medcity is a new model where application and knowledge, cure and prevention, health and wellness, work and leisure, East and West combine.

MEDANTA-THE MEDICITY

Who Dr Naresh Trehan, Chairman, Global Healthcare Ltd.

Where Medanta is a medical multispecialty built across on 43 acres in Gurgaon.
