WELCOME TO KARNATAKA THE KNOWLEDGE HUB OF ASIA

In India, Karnataka has emerged as an undisputed investment destination for investors worldwide. The state offers vast investment opportunities in various sectors. Its capital, Bangalore is now a global brand.

Why Karnataka:

- Abundant natural resources • Good infrastructure
- Highly skilled technical manpower • Salubrious climate
- Proactive government • Peaceful industrial relations
- Investor friendly policies

Advantage Karnataka:

- Introduced the New Industrial Policy which provides incentives like interest free loan on VAT, anchor unit subsidy, stamp duty exemption, etc.
- The first state in India to create a land bank. 92000 acres - identified. 50000 acres - notified
- Very well connected with five airports, two major and eleven minor sea ports
- The first state in India to announce policies on Industry, Tourism, Wine, Information Technology, Biotechnology, Semiconductor, Renewable Energy etc.

- Home to the highest number of R&D Centres in India
- Ranked by travellers (local and international) as one of best in India to live in because of the climate, cosmopolitan lifestyle, international schools, etc.
