

ONGOING PROJECTS

Expected outcome

- Enhancement of Production Capacity and Market Share
- World Class Technology and Products
- Improved Product mix/proportion of value added products to increase
- Complete elimination of Semi-finished steel
- Enhanced Pollution Control measures, with environmental conservation
- Captive Power generation capacity to increase from 872 MW to 1922 MW

The Products to be added:

- Auto grade CR Products, Galvanealed Coils/ Sheets
- Plates/ Pipes to meet up to API 100 Grade specification
- Universal Beams/ Heavy Beams in the sizes up to 1100 mm to support increasing Infrastructural requirements
- Rails for Metro-Railways
- Increased production of Rails and wheels to meet the increasing requirements
- Quantum jump in Rounds and Structural production leading to elimination of entire semi-finished steel
- Wider plates in the size of 4300 mm

HUMAN RESOURCE

Besides being a steel giant and a producer of world class products, SAIL is also a responsible and rewarding employer. The skilled and committed workforce of SAIL is its biggest asset. The management at SAIL gives prime importance to innovation at shop floor and multi-skilling to help in manpower optimization and arranges inter-plant visits for workers & executives for sharing best practices. Extensive communication exercises – covering more than 40,000 employees every year – are carried out to keep employees informed about challenges, opportunities & strategies. Other conventional HR practices like rotation policy, job training and international exposure are carried out with unconventional zeal. Besides, SAIL has immensely contributed to the development of technical and managerial expertise in the steel industry in India and abroad.

Employees of SAIL have been equally conscious about the company's future. In 1999-2000, when SAIL was going through a challenging phase, employees in the company took voluntary pay cuts to reaffirm their faith in the corporate and help revive it. SAIL employees bagged the highest number of Vishwakarma Rashtriya Puraskars in 2008 and 2009. Several awards have been conferred on SAIL for its employee management and retention. The fact that SAIL has signed MoUs with premier institutes viz. IIM-Ahmedabad, MDI-Gurgaon and ISM-Dhanbad among others for improvement in quality of training shows how the company cares to bring the best out of its people.

THE MEANINGFUL DIFFERENCE

SAIL has established 61 Primary Health centres, 8 Reproductive and child Health Centres, 18 Hospitals and 6 Super Specialty Hospitals to provide specialized healthcare to almost 26.7 million people.

It has opened about 138 schools in the steel township to provide modern education to about 74,000 children. Besides adopting & providing education & facilities to tribal children, SAIL has provided assistance to over 260 schools with more than 55000 students of villages surrounding its units.

In this endeavour, SAIL has achieved a Girl:Boy ratio of 1:1 for all levels of education and survival rate i.e. rate of retaining enrolled students of, 90% in SAIL secondary schools.

- SAIL is providing access to around 56 lakh People across 435 villages since inception by constructing & repairing roads.
- By installing 4714 water sources provided water access to around 37 lakh people living in far flung areas.
- Around 4300 health camps have been organized in 2009-10 benefitting more than 1.9 lakh people.

AWARDS AND ACCOLADES

When a company's performance is widely recognized by its stakeholders, leading financial institutions and rating agencies, its future prospects are more than bright. The list of awards and accolades won by SAIL runs into many pages. To summarise a few of them, President of India Smt Pratibha Devisingh Patil conferred the first prize to SAIL's inhouse journal Ispat Bhasha Bharati; the company also won the ICWAI National Award for Excellence in Cost Management 2007 and the 'Best Turnaround Award' from Delhi Chief Minister Smt Shiela Dikshit in the first Dalal Street Investment Journal PSU Awards 2009; SAIL's website, www.sail.co.in, bagged first place among steel producers globally for its popularity as per the Alexa ranking. At a recent function held at Vigyan Bhavan in the Capital, the Indian Prime Minister presented four awards to SAIL, including the Gold Trophy of SCOPE Award for Excellence & Outstanding Contribution to Public Sector Management in the 'Institutional' category for the year 2006-07, two MoU Excellence Awards in the categories 'Mining & Metals' and 'Listed Companies' for the year 2007-08, and 'SCOPE Award for Excellence & Outstanding Contribution to Public Sector Management' under 'Individual' category on Mr S.K. Roongta, SAIL Chairman.

SAIL- Contribution to Nation Building

- DMR 249 Gr. A&B / Armour plates for Defence
- High Strength Rock/ Roof Bolt Bar
- High Strength quality Z bar with micro- alloying
- Soft Iron Plates (Magnetic Material) for BARC
- Supplier to the Renewable energy sector
- Bandra- Worli Sea link
- Rupees 12,000 crores (US\$ 2.5 billion) by way of taxes & duties to the National exchequer in 2008-2009
- Pisciculture and Eco-restoration undertaken. 2.9 lakh trees planted in 208-2009
