

Manganese Ore (India) Limited (MOIL) ADDING STRENGTH TO STEEL

SHRI K.J. Singh
CMD, MOIL

Manganese Ore (India) Limited (MOIL) a Miniratna Category-I PSU under the Ministry of Steel, Government of India, was originally set up in the year 1896 as a British Company incorporated in the UK and MOIL was formed in 1962..

At present, MOIL operates 10 mines – six located in Maharashtra and four in Madhya Pradesh. Excepting three, rest of the mines is worked through underground method. The Balaghat mine is the largest mine of the Company which produces one of the best quality manganese ore in the country is also the deepest underground manganese mine in Asia. Dongri Buzurg mine located in the Bhandara district of Maharashtra is the largest opencast mine that produces manganese dioxide ore used by dry battery industry.

MOIL fulfills about 70% of the total requirement of dioxide ore in India. The total production of manganese ore from all the mines constitutes about 50% of requirement of the country. MOIL has set up Ferro Manganese Plant (10,000 TPY) and Electrolytic Manganese Dioxide (EMD) Plant (1000 TPY). The Company has also the first PSU in India to set up wind farm of 20 MW capacity in the Nagda / Ratedi Hills in Madhya Pradesh.

MOIL is also the largest employer in the manganese mining industry with a total work force of about 6750 employees.

WELFARE MEASURES AS GOOD CORPORATE CITIZEN

- Taken up several welfare schemes in the villages around MOIL mines.
- **MODEL MANGANESE GRAM** – by adopting 5 nos. Villages. MOIL provides education, health care, water supply, sanitation, roads, community development, environmental protection etc.
- Providing Eye care – sponsored cataract surgeries for rural poor.
- Provided mobile hospitals fully equipped with cardiac-cum-trauma care facilities.
- Empowering women through formation of Self Help Groups (SHGs).
- Provided motor boats in the Bhandara and Chandrapur District as flood relief measure.

MOIL ACHIEVEMENTS

- MOIL accorded MINI RATNA-CATEGORY-I status from Govt. of India.
- MOIL has been awarded Prime Minister's Excellence Award in achievement of MoU for the year 2006-07
- MOIL has been awarded Prime Minister's Merit Certificate for excellence in achievement of MoU parameters for last six years and has been receiving EXCELLENT Ratings from Govt. of India for MoU continuously for last 14 years.
- Commissioned state-of-the-art 5 lakh TPY Manganese Ore Beneficiation Plant at Balaghat – First of its kind in India for Manganese Ore Beneficiation – based on advanced technology.
- MOIL together with Steel Authority of India (SAIL) is setting up a Plant at Bhilai for production of 100,00 TPA ferro alloy plant.
- MOIL together with Rashtriya Ispat Nigam Limited (RINL) for setting up a plant for production of ferro alloys of 55,000 TPA capacity at Bobbili, near Vizag.
- Contributed over Rs. 1380 Crores over the last five years to Central and State Exchequer.

WINNER OF THE FOLLOWING AWARDS

Prime Minister's Excellence Award for MoU – 2006-07.

Winner of National Safety Awards

Winner of National Energy Conservation Award –1st Prize in Chemical & Mining Sector for the years 2006, 2007 & 2008.

Winner of Indira Gandhi Raj Bhasha Award.

PRODUCT RANGE

Manganese Ore	30% to 49.50% Min
Dioxide Ore	72% to 82% MnO ₂
Ferro Manganese	78% Mn
Electrolytic Manganese Dioxide (EMD)	91% MnO ₂ (Min)
