RETAIL CUSTOMERS**

**ALSO AVAILABLE
THROUGH DGS&D
RATE CONTRACT
(for range upto 62.5 kVA)**

MAHINDRA POWEROL DIESEL GENERATORS. RANGE 5 kVA to 320 kVA.

While power cuts hack into your profits, inefficient DG sets simply add to your losses. Choose Mahindra Powerol DG sets to ensure efficient power supply & hassle free operations. Say NO to interruptions and YES to profits.

- Robust & high performance engines • Most economical • Low vibration & noise levels • CPCB approved

Engines available for agricultural and industrial applications:
• Rice mills • Concrete mixers • Cranes • Bus AC and others
