NARESH GOYAL

61, Industrialist (40)

Plane Brilliant

Becausethe combined market share of Jet Airways and Jet Lite make him the top player in Indian civil aviation.

Becausehis airline companies have carved a market share of 25.2 per cent despite competition from low cost carriers.

Becausedespite hitting the air pockets of a global recession and high oil prices, Jet Airways has reported a profit of Rs 106 crore on lower operating costs and improvement in yields, in sharp contrast to a loss of Rs 214 crore in the same quarter the previous year.

Becausehe has raised the bar for the aviation industry with an offering that's even better than the best.

Did you know He started out in the tourism industry as a general sales agent for Lebanese International Airlines in 1967.

Lowest point When he was 12, his family's riches turned to rags as they lost their home in Sangrur, with the government auctioning it.

THE ROAD AHEAD

To restart operations in sectors where service has been discontinued.

POWER MANTRA

A crisis teaches you how to run a business.
