Money Monitor

Because as head of the largest private bank in the country, she navigated ICICI through a global financial crisis.

Because with \$90 billion in assets and a market capitalisation of \$22 billion, the bank has emerged stronger on all parameters.

Because she aims to increase the bank's network from 1,520 to 2,000-plus branches.

Because she is ranked among global women leaders now, at No. 20 on the *Forbes* list of 100 most powerful women in the world.

Multi-tasking move From setting a timetable for her children to calling the cook to discuss the menu when she is travelling, she is a hands-on mother.

Tough moment When a large company moved a portion of its deposits to a PSU bank for slightly higher rate of interest last year, she had to battle negative perceptions about ICICI. Kochhar won that round by effectively communicating with the bank's customers.
