HINDUJA BROTHERS

Industrialists (6)

Brotherhood of Power

Because the Hinduja Group remains a global powerhouse with its increasingly diversified holdings in 42 countries in four continents and the four brothers wield considerable collective influence in multiple corridors of power. **Because** they are planning to invest \$10 billion (Rs 46,200 crore) in Indian infrastructure over the next five years.

Did you know Astrology plays a major role in any event they plan.

SANT SINGH CHATWAL

58, Hotelier (7)

Premier Influence

Because he now has a Padma Bhushan pushed by the Prime Minister's Office itself as payback for his influential lobbying in Washington's power centres for the Indo-US nuclear deal, including his closeness to Secretary of State Hillary Clinton, a personal friend. **Because** his hospitality empire continues to expand and his Dream Hotel in Kochi has quickly become one of the state's most popular resorts, with plans for two more in Mumbai and Jaipur.

Did you know When Hillary Clinton visits his home, she asks for her favourite desert, rasmalai.

MAKE A CHANGE

There is no grant or any other money-wise aid from the part of the government towards the functioning of the school. Fact is, it is run by the people who are kind enough to spend a little time and money for these children. If you are willing to do something for them, we are glad to tell you how.
