Top Notch

Because British Prime Minister Gordon Brown is a regular visitor to his house on intimate occasions.

Because his Caparo Group has made a major diversion by entering the Indian financial services sector with a non-banking finance company and an investment of \$50 million over the next two years.

Because the Labour peer has also become the first India-born Briton to be appointed a Privy Councillor, a rare honour for any British citizen, an appointment, which is for life and can only be approved by the Queen.

Did you know He has been cleared in the Expensagate inquiry, pending which he had stepped down as Deputy Speaker of the House of Lords, the first Asian in that post.

VINOD KHOSLA

55, Venture Capitalist (10)

Man with a Mission

Because the world's leading venture capitalist is now a green warrior and coined the phrase "The Chindia test" to mean the price at which China and India will adopt a technology without subsidies.

Because his estimated \$1.1-billion fortune puts him regularly in the *Forbes'* 400 Richest list.

Did you know He has raised \$750 million through Khosla Ventures III to invest in early growth companies and another \$250 million in Khosla Seed.
