

GALGOTIAS COLLEGE OF ENGINEERING

RANKED AMONG TOP INSTITUTIONS OF INDIA FOR 3RD SUCCESSIVE YEAR

Year after year Galgotias College of Engineering & Technology (GCET) proves its supremacy in the field of engineering education. DATAQUEST Dec'09 ranks this college of distinction among TOP THREE private Engineering Colleges in the country, for the third consecutive year. GCET also attains the Numero Uno position in the entire North region!

Indeed, the DATAQUEST IDC T-School Survey is one of the most awaited surveys of the year. With every passing year, the survey has brought out the trends and has been used as a benchmark by many institutes in India to evaluate where they stand. This year has served as a level playing field for all technology schools in India.

DATAQUEST compiled the fifth DQ-IDC survey scorecard on the best T-Schools in the country on the basis of a methodology and calculations vetted by research firm IDC which was led by Ravikant Sharma and assisted by Deepak Rajgarhia. In all, 111 institutes responded to the survey that was done in two phases. IDC carried out the validation exercise. The objective scores were obtained by evaluating the T-Schools against the following parameters: Placements, Infrastructure, Academic Environment and Industry Interface.

■ EXCELLENT RESULTS

Based on the Uttar Pradesh Technical University Results (2005-09) for B-Tech education GCET and JSS Academy of Technical Education were ranked among top colleges in the region. 85 out of 424 students in the batch, 403 passed making the pass percentage of GCET 85%.

The 2008-09 results once again place GCET among top Engineering Colleges. Saurabh Yadav tops the University in ET (Electronic Instrumentation) with a whopping 83.76% and has been awarded Gold Medal in the Seventh Convocation held on December 22nd 2009 at U.P. Technical University, Lucknow, presented by Hon'ble Vice Chancellor Prof. Kripa Shankar, Dr. A.P.J. Abdul Kalam, Former Hon'ble President of India, Sh. Sadal Prasad, Hon'ble State Minister, Department of Vocational and Technical Education and Sh. B.L. Joshi his Excellency the Governor of Uttar Pradesh and Hon'ble Chancellor, U.P. Technical University.

The UPTU rank holders in B.Tech (Mechanical Engineering) are Umang Shrivastav, Nitin Kumar Jain and Sushil Kumar Panday. Its results of GATE 2009 are also

outstanding; more than 60 students of GCET secured up to 98 percentile. This year many students are admitted in IITs for pursuing their M.Tech. Courses. Similarly students have done well in CAT exams. One student of Computer Science Mr. Keshav Gupta has been admitted to IIM (Calcutta) and also being considered for Birla's Foundation Scholarship. GCET graduates also have shown their presence in US and UK based leading Universities to pursue MS and MBA programme.

Taking pride in the students' performance, GEI Chairman, Sh. Suneel Galgotia shared his views on the Galgotia grooming and guiding methodology. He said,

the teaching-learning process here is world-class. We don't just raise batches of academic toppers, but generations of confident and capable personalities who prove to be assets to the college, industry and the nation. Good, virtuous human being with high moral values and a daring spirit is the mark of a true Galgotian.

And in his noble task, he is assisted by a first-class faculty. Adding pie to the cake is the recent Infosys visit to the campus and selecting 110 students, the maximum in the entire region.

■ THE MENTORS OF BRILLIANT MINDS

The most preferred institute of the students as well as the faculty, here the highly qualified and experienced specialists in their respective fields create the rich intellectual capital and pedagogy that give a definite edge to GCET. Their disciplined approach to education and the ability to foresee trends are putting them at par with the best. They are enthusiastic about cultivating an innovative mind set of the students and firmly believe that education is not limited to B.Tech, MCA, MBA & PGDM but is a medium for students to realize their dreams, sharpen their
