

■ RAISING ENTREPRENEURS

The Entrepreneurship Development Cell formed in collaboration with National Entrepreneurship Network an organization supported by IIM Bangalore, IIT Bombay and Stanford University organizes special programs to help students develop entrepreneurship skills. GCET has tied-up with Infosys for Campus Connect Program in this regard. The Industry Institute Liaison Cell deals with industry's best employers and conducts exhibitions, consultancies, technical festivals, awareness camps, lectures and workshops to turn students into entrepreneurs.

■ TOP-NOTCH PLACEMENTS

GCET has recorded 100% placements for MBA 2009 batch and 98% of eligible students in the Engineering batch. The college has attracted the companies of world fame like Hewitt Associates, ZTE Corporation, Birlasoft, Ericsson India Ltd., Mahindra and Mahindra and Rolls Royce India Ltd. which makes in total 55 companies out of which 18 are core companies visited for recruitment of 2009 passing out batch of B.Tech. and MCA.

Mr. Somnath, Global Head, Campus Hiring and Mr. Sudhir Mishra, HR-North & West Region, Campus Hiring, Infosys Technologies Ltd. visited and interacted with the students of 2010 pass out batch on Saturday, November 28th, 2009. This was a Pre-Placement Talk and the initial process of campus recruitment of 2010 batch and in the process Infosys Technologies Ltd. recruited 110 students. Also, TCS selected 70 students from the batch. These are the highest placements region and have superseded all earlier records. Many more corporate have agreed upon to visit the campus to recruit the students of 2010 passing out batch in near future.

cognition, hone their skills and carve out a wholesome personality. Of course, the students are selected through stringent screening process and only the brightest few get to enter the prestigious and most coveted institution and the teachers work assiduously towards synergising theoretical and practical knowledge to promote all-round professional competence of these students. The visiting faculty comes from premier institutions and corporate houses to address students and apprise them of the demands of the industry.

The Chairman informs, "We have a rich and renowned faculty of over 300 educationists with vast experience in academics and industry. We also have highest number of M.Tech./Ph.D holders amongst them. Our faculty has set new benchmarks by presenting over 100 papers which is one of the highest among any private engineering colleges in NCR. We have a world-class infrastructure and most fetching amenities to give our students finest learning experience. Constant researching and updating ourselves through new projects keeps us ahead of the competition."

He also apprised us about the eventful visit of the Chief Minister of Assam, Sh. Gogoi, to the campus. Highly impressed by the faculty and the infrastructure of GCET, the dignitary applauded the management and congratulated the Chairman with regard to achieving excellence in academics. He was most enthusiastic about raising a similar infrastructure in Assam.

■ THE CAREER PLANNING & DEVELOPMENT DIVISION

On the threshold of career, the students are trained in simulated conditions so as to understand the fine details of actual working conditions and employers' expectations. For this, out-of-the-box techniques are taught in order to tackle problems innovatively and in a resource-saving way. Case studies, group discussions, seminars, workshops, quiz programs, excursions and institute-industry interface are organized at regular intervals. CPDD develops training and motivational modules that include soft skills like stress management and analytical thinking.
