Itch Guard™

POWDER

This summer you need an all-rounder to protect your family.

Summer not only brings the joy of vacation, but also summer related problems like prickly heat, redness and other skin infections. The new Itch Guard Powder with its 3-way action absorbs excessive perspiration and gives an instant cooling & soothing effect. This relieves you from prickly heat, redness and other skin infections caused due to sweat.

- 

1 Prickly Heat

Relieves prickly heat
- 

2 Redness

Relieves redness
- 

3 Skin Infection

Fights skin infections

Provides **COOLING** & soothing relief

 **SUMMER KA ALL ROUNDER**
