Absolutely Free!

Leadership-transition guru Michael Watkins, author of 'Your Next Move' and 'The First 90 Days', shows how you can survive and thrive in all the major transitions you will face during your career, in an interactive session. He will illustrate the defining hurdles associated with each type of transition with real-life examples and case studies. It's ideal for all those seeking to maintain upward career momentum through a plethora of change. The best part is that you can attend it sitting at your desk. Simply register for it and enjoy total interactive participation.
