

A NEW(s) IDIOM

Be it the rapidly growing television industry or the emerging cyber journalism, media offers a plethora of opportunities.

You might swear by it, you might disapprove of it, but you certainly cannot overlook the role that media plays in our every day lives. A nose for news can do the needful for a media aspirant. A career in the media and entertainment industry finds a place in the wishlist of every ambitious youngster today. In this Information Age, India has advanced towards a stage where media is fed into every walk of life and every drop of information is channelled through this medium. Students can find job opportunities in media houses, production companies and studios in different departments like editorial, design department or production.
