Dr. Ishpal Bhardwaj

impart quality engineering education has funded Savera Group Of Institution with B. Tech and MBA. World class engineering education can never come of its own, but through consistent efforts and reclassified targets. It becomes utmost important to impart standard education to the students so that they can face today's competitive and complex environment confidently. The students are developed to equip themselves with analytical and decisive skills so as to make the life a success. To create future leaders, out of young generation, capable of playing strategic role in nation building and service to humanity. We aspire to achieve excellent educational standard through quality teaching methods, modern and innovative procedures in order to attain global recognition at educational horizon. The campus is spread over 12.16 acre land at Farukh Nagar, Distt. Gurgaon.

Dr. P. Kumar
Principal
