

Today an engineering course costs 12 lakh*. In 18 years, it will cost 48 lakh*.

IN THIS POLICY, THE INVESTMENT RISK IN INVESTMENT
PORTFOLIO IS BORNE BY THE POLICYHOLDER.

At Aviva we believe there's no greater insurance in the world than a good education. Unfortunately, the cost of this education is on a constant rise. In 18 years, the cost of higher education will be 4 times more than it is today.

Plan for it today with an Aviva New Young Scholar Plan. Packed with a host of unique benefits, this policy is designed to secure your child's future by securing a good education.

- All future premiums are paid by Aviva (as a lump-sum) so that your policy continues, in the event of the parent's death, disability** or critical illness**.
- A regular stream of income** is provided till the child is a minor, in the event of the parent's death.
- The policy yields attractive returns to build the planned fund for the child's higher education.

Education is Insurance.
Guarantee it with Aviva.

AVIVA
Life Insurance

Aviva Life Insurance Company India Limited. UIN: 122L076V01. AN: 1417. For more details on risk factors, terms and conditions please read the sales brochure carefully before concluding a sale. Insurance is the subject matter of the solicitation. Unit-linked Life Insurance products are different from traditional insurance products and are subject to risk factors. The premium paid in unit-linked life insurance policies are subject to investment risks associated with capital markets and the NAVs of the units may go up or down based on the performance of the fund and factors influencing the capital market. The insured is responsible for his/her decisions. Aviva Life Insurance Company India Ltd. is only the name of the Insurance Company and Aviva New Young Scholar is only the name of the unit-linked life insurance contract and does not in any way indicate the quality of the contract, its future prospects or returns. Please know the associated risks and the applicable charges, from your insurance agent or the intermediary or policy document or the insurer. The premiums and funds are subject to certain charges related to the fund or to the premium paid and there is a possibility of increase in charges. The various funds offered under this contract are the names of the funds and do not in any way indicate the quality of these plans, their future prospects and returns. Unit-linked funds are subject to market risks and there is no assurance or guarantee that the objective of the investment fund will be achieved. **Applicable if relevant riders have been opted for. Riders are not mandatory and are available for a nominal extra cost. *The information related to the cost of an engineering degree is based on estimation and the same is not guaranteed or warranted in terms of completeness, correctness, accuracy, reliability or otherwise. The future cost is taken at an inflation rate of 8% over 18 years, assuming the current age of the child is 1 and the child will enroll for the course at the age of 19. All costs are in INR.
