NEW DECADE: GREAT EXPECTATIONS

March 12 & 13, 2010 At Taj Palace Hotel, New Delhi

James Cameron
Producer, Director,
Screen Writer, Editor & Inventor

From *Terminator* to *Avatar*, he takes the world by storm each time he touches any angle of filmmaking. In Hollywood his name is legendary. A perfectionist, he sold *The Terminator* script for \$1 so he could direct the film himself. His *Titanic* ran months over schedule and millions over budget but broke box office records and won 11 Oscars. His latest, the sensational *Avatar*, has broken records of all kinds, including *Titanic's* box office collections.
