

The fine difference between making a living and living.

Create the perfect balance between work and pleasure at Vivanta by Taj, Whitefield. For work, there's a truly central setting right in the heart of Bangalore's International Tech Park, state-of-the-art conference rooms and business facilities. For play, there's a perfect mix of edgy design, inspired cuisine, a high energy bar, suites designed to help you relax, a truly indulgent Jiva spa and intuitive service. If you're looking to find your own modern expression of travel and living, drop in.
