A phenomenal thinker whose book *The Black Swan* has been described as one of the most influential books of the past five decades. A corporate head who turned around manufacturing giants Ford and Boeing and was listed among 2009's 100 most influential people. A radical economist and demographer who introduced the concept of the *Demographic Dividend*, the impact of its population on a country's economy. And an award-winning journalist and author who believes he has found the answer to world hunger.

A DECADE OF INFINITE POSSIBILITIES

Nassim Taleb, Alan Mulally, David Bloom and Michael Specter
offer a spread of ideas – a veritable feast.

Join the world's topmost **thinkers, business leaders**, scientists,
economists, writers, techies, innovators and politicians to discuss,
debate and decide what to expect of the new decade.

BE PART OF THE DEBATE
