Besides these deductions, the following incomes are exempt from tax but need to be mentioned in the tax returns.

1. Agricultural income
2. Interest earned on EPF and PPF
3. Capital gains from sale of shares and equity mutual funds after a year of purchase
4. Profits from sale of units of Ulips
5. Payments received on insurance policies
6. Dividends from mutual funds and companies
7. Commuted amount of pension
8. Any death-cum-retirement gratuity received by government or local authority employees is exempt from tax. For non-government employees, the taxability depends on whether the gratuity is covered under the Gratuity Act
9. Other compensation received under some Act
