YESTERDAY'S PIMPS ARE NOW KNOWN AS AGENTS, AND HAVE UP TO SIX WOMEN ON THEIR LIST AT A TIME. THEY AVOID MEETING CLIENTS AND LIKE TO CUT DEALS ON THE PHONE.

them. Language is an issue but we can talk them into relaxation. They like that they are in command and that actually helps them surrender to us," she says. Ask Nitin, who runs a computer hardware business at a commercial complex in Delhi. He is in his mid-30s and is married with children. For him, the once-a-week sexcapade is an addiction he cannot do without. "These women have an element of professional detachment. They are here for a few months and you don't know whether you will ever see them again. They are not interested in you beyond the task well done," he says, comparing them with their Indian counterparts. "But the Indians want your number. They give theirs, want to know what I do and how much I earn. Then they go on about how they belong to a good family too but have been forced into prostitution by some compelling circumstances. That is so irritating." Shrugs Shruti, a 19-year-old college girl who doubles as a call girl and is on the roster of two pimps in Delhi. "If Indian men are looking for white women for their novelty, white men are interested in us. They give us generous tips." But why do white women attract so many repeat customers? "We cannot do things that white women do with Indian men," says Shruti huffily.

as women dress well, wear immaculate make-up and carry the best accessories. They also play nice enough to have some men in their thrall. Roma gives the example of a 35-year-old married businessman, who offered to marry her. When she refused, he would insist only on her, paying
