

Making insurance a healthy experience.

Health Insurance and the art of redefining

There was a time when insurance was synonymous with hassles – of paperwork, approvals, and tons of fine print; when just the thought of buying a policy was enough to stress you out. Bharti AXA General Insurance has changed all that. By redefining the whole experience of health insurance – with hassle-free policies that are available over-the-counter, without unnecessary paperwork, and provide comprehensive coverage.

SmartHealth High Deductibles Insurance Policy

- Wide range of top-up options up to Rs.10 Lakhs
- No medical checkups up to the age of 55 years (on select plans)
- Cashless facility in over 4000 hospitals
- Get top-up cover of Rs.6 Lakhs at Rs.3 a day (subject to a deductible of Rs.3 Lakhs)

SmartHealth Insurance Policy

- Instant over-the-counter policies
- No medical checkups up to the age of 55 years (on select plans)
- Cashless facility in over 4000 hospitals
- Single policy for the entire family

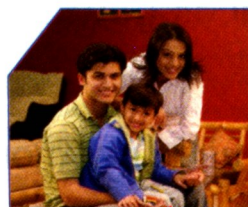

The right choice

Bharti AXA General Insurance has a wide range of policies in their comprehensive health insurance portfolio. Each product has been designed to address specific customer needs throughout their lifecycle, and offer never-before coverage and unique benefits.

SmartHealth Critical Illness Insurance Policy

- Comprehensive coverage of 20 critical illnesses
- Cover available on 'lumpsum benefit' basis and 'indemnity' basis

SmartHealth Essential Insurance Policy

- Daily allowance of up to Rs.3000, in case of hospitalisation
- Double the sum insured, in case of ICU admission

A progressive partnership

Bharti AXA General Insurance Company Ltd. is a joint venture between Bharti Enterprises, a leading Indian business group and AXA, a world leader in financial protection. Currently, the company's team strength is over 1000 employees, with presence in over 100 locations across the country.

Bharti AXA General Insurance combines Bharti's powerful leadership position in India, its network and corporate relationships, with AXA's vast experience as the leading global provider in Financial Protection and Asset Management services in over 55 countries across the globe. The company will leverage AXA's operational excellence in the areas of product innovation, technical excellence, quality of service, productivity and distribution, as well as their expertise in claims management, underwriting, pricing and investment performance. Bharti AXA General Insurance will hence provide a well-defined product portfolio that will have both traditional and innovative product solutions for corporate and retail customers.

It is one of the fastest growing companies in the Indian General Insurance space. The company offers over 50 products in its extensive product suite that caters to retail, rural and commercial audiences, and covers Health, Motor, Home and Property, amongst others.
