

2010

JANUARY

m		4	11	18	25
t		5	12	19	26
w		6	13	20	27
t		7	14	21	28
F	1	8	15	22	29
s	2	9	16	23	30
s	3	10	17	24	31

As the New Year begins, my first resolution will be to exercise my right to stay healthy. I'll choose what I eat. After all, **HEALTH COMES FIRST!**

FEBRUARY

m	1	8	15	22
t	2	9	16	23
w	3	10	17	24
t	4	11	18	25
F	5	12	19	26
s	6	13	20	27
s	7	14	21	28

Once swallowed, **HONEY** takes just 20 minutes to enter the blood stream. My honey will take good care of me.

MARCH

m	1	8	15	22	29
t	2	9	16	23	30
w	3	10	17	24	31
t	4	11	18	25	
F	5	12	19	26	
s	6	13	20	27	
s	7	14	21	28	

Muscle is always burning calories. The more muscle I have, the more calories I burn. **THE MORE I MARCH, THE MORE I BURN.**

APRIL

m		5	12	19	26
t		6	13	20	27
w		7	14	21	28
t	1	8	15	22	29
F	2	9	16	23	30
s	3	10	17	24	
s	4	11	18	25	

Research shows **A HEARTY LAUGH** can cause the lining of blood vessel walls to relax, increasing blood flow for up to 45 minutes. So, I'll keep laughing, it's good for me!

MAY

m	31	3	10	17	24
t		4	11	18	25
w		5	12	19	26
t		6	13	20	27
F		7	14	21	28
s	1	8	15	22	29
s	2	9	16	23	30

Fats are essential for the body. I'll **GO FOR HEALTHIER FATS** - with less saturated fats and more unsaturated fats. This helps in managing my cholesterol levels.

JUNE

m		7	14	21	28
t	1	8	15	22	29
w	2	9	16	23	30
t	3	10	17	24	
F	4	11	18	25	
s	5	12	19	26	
s	6	13	20	27	

I took a blind test and found that apples, onions, and potatoes all have the same taste. For my body, **HEALTHY FOOD MATTERS** more than tasty food.

JULY

m		5	12	19	26
t		6	13	20	27
w		7	14	21	28
t	1	8	15	22	29
F	2	9	16	23	30
s	3	10	17	24	31
s	4	11	18	25	

I **GET MY BODY CHECKED** at least once in 6 months. This helps me to monitor my blood pressure, cholesterol, blood sugar count, etc.

AUGUST

m	30	2	9	16	23
t	31	3	10	17	24
w		4	11	18	25
t		5	12	19	26
F		6	13	20	27
s		7	14	21	28
s	1	8	15	22	29

My body requires the right proportion of Carbohydrates, Proteins and Fats with essential minerals and vitamins. I'll ensure I **EAT RIGHT TO STAY FIT.**

SEPTEMBER

m		6	13	20	27
t		7	14	21	28
w	1	8	15	22	29
t	2	9	16	23	30
F	3	10	17	24	
s	4	11	18	25	
s	5	12	19	26	

India is marching towards becoming a world leader in heart disease. **WORLD HEART DAY** is a reminder to change the way I live, and take care of my heart and health.

OCTOBER

m		4	11	18	25
t		5	12	19	26
w		6	13	20	27
t		7	14	21	28
F	1	8	15	22	29
s	2	9	16	23	30
s	3	10	17	24	31

I spend more eating out in a year than on trying to lose weight. So, now I'll **EAT HEALTHY** and save more.

NOVEMBER

m	1	8	15	22	29
t	2	9	16	23	30
w	3	10	17	24	
t	4	11	18	25	
F	5	12	19	26	
s	6	13	20	27	
s	7	14	21	28	

Carrots have zero fat content. Spinach has more iron per calorie than meat. I'll choose **LOW FAT HEALTHY FOODS** around me and make them part of my diet to remain healthy.

DECEMBER

m		6	13	20	27
t		7	14	21	28
w	1	8	15	22	29
t	2	9	16	23	30
F	3	10	17	24	31
s	4	11	18	25	
s	5	12	19	26	

I'll eat my heart out. I'll savour taste. But I'll make sure I eat nothing but healthy food all round the year, so that I can welcome every New Year with **A HEALTHY SMILE.**
