

sure we can

Unmatched globally. Incomparable in India.

Globally, TNT is the preferred choice for millions of customers. In India, TNT delivers over 700 metric tonnes of freight every single day. TNT is the only Express services company to offer an integrated air and road network that covers 17,850 pin codes across India, using 1,530 vehicles. Add to this, TNT's commitment to on-time delivery using state-of-the-art technology and skilled man power, and you have Express solutions that offer complete peace of mind. So the next time you want anything delivered within India – sure we can.

To get the TNT advantage, call us toll free on **1800-425-9999** (BSNL/MTNL network) or **6000 9999** (private networks) or visit us at **www.tnt.com** or mail us at **in.marketing@tnt.com**
