

SOBHASARIA TECHNICAL INSTITUTE OF EDUCATION & RESEARCH NURTURING LEADERS OF TOMORROW

P.R. AGARWALA
CHAIRMAN

Sobhasaria Technical Institute of Education & Research is promoted by Sobhasaria Jan Kalyan Trust engaged in philanthropic activities and upliftment of society in the field of education and rural development and managed by well known industrial house Rupa & Co based at Kolkata which has distinction of being largest manufacturer of hosiery items. Under the dynamic leadership of its chairman Shri P. R. Agarwala, trust is already providing technical and managerial education at UG & PG level since last 10 years. Day to day affairs are managed under guidance and supervision of Shri H. N. Purohit, Member Secretary.

The institute is situated in 35 acres lush green complex on Jaipur Bikaner highway at Sikar with beautiful landscape housing Academic Block, Labs, well constructed and furnished class rooms, Conference Hall, Video Conferencing Facility, centrally air-conditioned Computer Lab and Digital Library. Separate hostels, Mess, Canteen and residential block with round the clock security have also been provided in the campus. The institute has huge sports complex with facilities for indoor and outdoor games with gymnasium.

The Institute is running 2 years full time PGDM Programme, approved by AICTE and Ministry of Human Resource Development, New Delhi. Programme is tri-semester based and first year relates to general areas of management. In the second year, the students take elective / optional courses to specialize in a maximum of two

functional areas. These areas are: Finance, Information Management, Marketing, Strategy and Operations Management and Human Resource.

At the end of the first three terms, the students are required to undergo an industry internship or summer training with an organization. The internship usually spans over an eight to ten-week period. This is a compulsory component of the curriculum for the completion of the academic programme. It is designed to provide exposure to organizational working, to develop an understanding of business realities, and to learn to apply theory to real life business situations. Since the summer internship is a vital component in the promotion of the student into the second year, they are also graded on the basis of Project completed by them. The Institute provides environment for complete change in Personality through sports, cultural activities, business quiz, and presentation, national and international seminars which are organized on regular basis in college campus. The institute employs a blend of various techniques of Management Education like Case Study, Group Discussion, Seminars, Role Play, Business games, etc. Frequent use of audio - visual equipments is a regular feature of the programme. Expert lectures and interactive session with practicing executives from renowned companies is a part of the programme to provide practical insights to the students into business problems. The medium of instruction is English. The institute has employed well qualified and experienced faculty with rich blend of industry and academic experience.

The Institute has strong Industry Interface and closely working with many reputed business houses to provide specialized training to students to increase their employability. It provides SAP, PMA, Creative Writing and one foreign language certification free of cost to its students besides foreign Tour to expose students globally. The institute has Corporate Relation Cell headed by person having vast industrial experience and has placed many students in different companies.

The Institute charges only Rs. 3.0 lacs for the delivery of entire course which is inclusive of Free Books, Laptop, 4 certified courses and foreign tour and industrial tour. Admission to the Programme is made through all India test like CAT/MAT/JCCAT followed by Group Discussion and Personal Interviews. Candidate interested in taking admission must have minimum 50 % marks in graduation with valid score in above exam. They should apply on prescribed form along with documentary support. Cost of Form and prospectus is Rs. 500/-. Session will start in July, 2010.

TAXILA BUSINESS SCHOOL

CENTRE OF EXCELLENCE FOR VALUE BASED 'MANAGEMENT' EDUCATION

The Taxila business school campus was set up in 2003 with the aim to provide conducive and encouraging environment for the growth of quality education and effective industry-academia interface, with twice intake in year i.e Jan and July. The vision of college is not just to make Managers but to make "Saleable Managers". With the blend of theoretical and practice exposure, who can adjust themselves in the five star culture of the corporate world.

Taxila Business School is in sharp focus, is training managers in tune with today's realities that require ethical man and women to tap into "real India". This B-school is a centre of excellence for value based 'Management' education.

It is providing UGC approved degree with loan assistance to the students. Taxila, provides two year MBA + PGDBM program. It is one of the top B- Schools of Rajasthan which is CAT and XAT allied with grade A++ and rank 21 across the country. It has been ranked among top 100 best B-schools by Dalal Street Magazine and among top most potential 50 B-Schools by Business today. The criteria which Taxila fulfills for such credentials are faculty members, updated curriculum, dual program with dual specialization, Placements, Learning ambience and technology which is used in campus for the exposure of the students.

The institute along with college bus facility is well served by an extensive transport network bridging almost all the areas of the city. Taxila business school is teaching students daily 12 hrs, through market surveys, live projects and internship during every four months of their studies. The college library is a rich collection of about 11,000 volumes of books, periodicals, reports, reference material and 10,000 E-Books. Taxila Business School is concerned about the placements of its students,

who are encouraged to go on educational tours, internships in country as well as outside the country. This gives them an opportunity to interact with leading personalities of the industries and service sectors, which brings clarity and maturity in their professional thinking.

Case studies, projects, assignment, live projects are the part of a curriculum, which is a part of studies throughout the whole program of two years which only equips the students to fetch the placement with higher packages in country and outside the country also.

To understand the logical and analytical base of research student needs to have the global exposure, for this the exchange programs at Taxila is giving opportunity, for the interaction with the students from countries like Poland, Morocco, China, Slovakia. Students from countries like Poland, Columbia, & Ivory Coast have joined recently the college for learning and to do research on many management topics with the students in India with Taxila Business school. The emerging Business challenges require corporate to create a reservoir of versatile executives with a strong base of functional knowledge along with general management perspective. The curriculum and the blend of practical theory's with experiments has given college the ability to utilize academic freedom to develop trend-setting educational programmes and pedagogic processes with long-term benefits for all student and other associated with Taxila. The Institute has an enviable track record of recognizing the needs of the business and quickly and aptly responding by offering high quality relevant programmes.
