■ **BERKOWITS-** Hair Loss can produce a host of reactions, including panic, anger, denial and jealousy. While most men will face some or all of these reactions, they will experience them differently. It's not the hair, it's the loss. Some of the most stressful situations in life, such as the death of a loved one, the loss of a job, or the diagnosis of a life threatening illness will elicit predictable feelings of sadness, fear, anger, frustration and panic. Berkowits offers a unique Multiple Therapy i.e. a combination of Low Level Laser Therapy (LLLT) with Acupuncture and Ayurveda to prevent hair loss, oily scalp, Alopecia and dandruff and revitalizing your scalp for re-growth of thicker and healthier hair. Don't be desperate or worry if you are patchy or total bald. Berkowits the pioneer, with 20 years of experience and over 1, 10,000 satisfied customers help you to restore your Crowning Glory in just 60 minutes by hair replacement through Microweaving, Weaving or Bonding. Whatever be the technology, you can treat it like your own hair and can get them permed, set, styled or shampooed without any

problem. Besides, this Berkowits is equipped with Skin, Body and Beauty care with latest technological advances under one roof. From Pigmentation, Acne, Scars, Dark Circles to Obesity, Cellulite and Fat, Ageing lines, rejuvenation, Glycolic Peels and Hi-tech instant facials are carried out by Experts and Professionals to rediscover in you a new look- New zeal and new confidence.

■ **RAJIV GANDHI CANCER INSTITUTE AND RESEARCH CENTER (RGCI&RC)-**

Is the largest exclusive Cancer Care Center of North India. It is a project of Indraprastha Cancer Society and Research Center. Its object is to provide top quality medical care facility to the cancer patients from various parts of the country and neighbouring countries. RGCI&RC started functioning on 1st July 1996. In just a few years since its inauguration by the Late Dr. Shanker Dayal Sharma, the Institute has achieved widespread recognition as a Center of excellence. The hospital is built over a land area of 4.17 acres, has an inpatient capacity of 220 beds comprising of Air conditioned Multi-bed wards, Single, Double and Deluxe rooms. The hospital has added a Bone Marrow Transplant Unit in the year 2000, IMRT (Intensity Modulated Radiotherapy Technique) & Color - Doppler technique in the year 2002, with Image Guided radiotherapy (IGRT) being the latest addition. The Department of Surgical Oncology, Radiation Oncology and Medical Oncology of RGCI&RC have set up high standards in the medical field. A sarai "Ashray" has been built about 200 mt. away from the main hospital building to cater to the lodging requirements of the relatives of the patients seeking treatment in RGCI & RC from outside Delhi. The Institute has so far treated more than 1,00,000 patients coming from whole of India & other neighboring countries like Nepal, Bangladesh, Sri Lanka etc. Some of the Institutes specialized features are as under:- SURGICAL ONCOLOGY / O.T, RADIATION ONCOLOGY, MEDICAL ONCOLOGY, BONE MARROW TRANSPLANT UNIT, INTENSIVE CARE UNIT, RADIOLOGY, MRI, NUCLEAR MEDICINE, LABORATORY SERVICES.
