

■ SAROJ HOSPITAL & HEART INSTITUTE-

Is a tertiary care Super Specialized Multispecialty 150 bedded Hospital and is in process of massive expansion to 350 bedded hospital. Newly constructed emergency casualty with all modern facilities is well supported by 'state-of-the-art' Pathology Lab & Diagnostic Machinery. Hospital is 13 years old and has established itself for its Medical Excellence with Human Touch. Saroj Hospital is an ISO 9001-2000, 14001-2004 certified hospitals. It would be pertinent to mention that Saroj Hospital and Heart Institute was the first to bring Cardiac Surgery and facilities for Angiography and Angioplasty outside the confines of South Delhi in private healthcare sector. We have recently added new high-end Cath Lab (G.E.), thereby we are now having two Cath Labs with two Cardiac Operation Theatres. Hospital has recently started tertiary care facility in Neuro Sciences too and our Neuro Centre has the facilities such as Modern Neuro ICU, 3D CT Scan, EEG & Neuro Psychiatric evaluation. We provide excellent Neuro Care to patients suffering from Head Injury, Brain Tumor, Brain hemorrhage & stroke. Hospital is well established with various departments providing excellent services in the field of Advanced Minimal Invasive Surgery, Laproscopic & Endoscopic surgery, Intensive Care units, Joint Replacement and Endoscopic Spinal Surgery to name a few. Hospital has almost all the Specialties and Super Specialties and is one of the most reputed and dedicated hospital in North West Delhi and enjoys excellent spoken reputation in this part of the NCR. A dream come true for all heart patients of north-west Delhi and adjoining areas and a reason to live healthy life with a healthy heart.
