With whom have you indulged in an orgy or threesome?

For 391 respondents of the total 5,371 who have participated in an orgy. All figures in per cent.

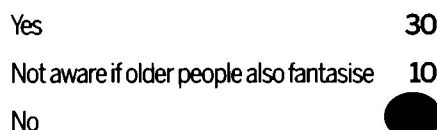

Fifty-seven per cent of those who have had orgies have participated in them with other women. Chennai tops the chart with 89 per cent women admitting to orgies.

Sixty-four per cent partners still don't share their sexual fantasies with each other.
