BEDROOM GAMES

Satin sheets and sexy lingerie haven't changed the kind of love-making. Thirty per cent respondents don't have any particular fantasy associated with sex. Little wonder, for 41 per cent women, sex is just a mode for the greater good of procreation. But for those who do believe in experimenting, top four sexual activities to fantasise about are:

45

Oral sex

36

Anal sex

30

Masturbation by your partner

23

Position 69

Figures add up to more than 100 because of multiple choices. All figures in per cent.

A whopping 85 per cent men in Ludhiana fantasise about having oral sex while 76 per cent have actually done so. The numbers stand at 35 per cent and 44 per cent respectively for women. Anal sex is the city's second preference with 46 per cent respondents admitting to it.

50

PER CENT OF MEN AND 39 PER CENT OF WOMEN IN LUCKNOW FANTASISE ABOUT THE WOMAN ON TOP. IN HYDERABAD, THE FIGURES ARE 36 PER CENT AND 48 PER CENT RESPECTIVELY.
