For 4,222 respondents of the total 5,371 who have had sex. All figures in per cent.

The realm of fantasy was richer, but only with eyes wide open. Only 10 per cent said they had thought of trying blind-folded sex, while 80 per cent said the thought hadn't even crossed their minds. Obviously, they haven't watched *9½ Weeks*.

Have you ever fantasised about using condiments while having sex?

Butter/Cheese 9
Honey 15
Ice-cream 15
Ice 16
Chocolate sauce 14

Figures don't add up to 100 because of multiple choices. All figures in per cent.

Have you fantasised about using sex toys with your partner while having sex?

YES 14
Male 19, Female 9

NO 82
Male 78, Female 87

Rest don't know/can't say. All figures in per cent.

In reality, urban India has even less success with sex toys. Ninety-one per cent said they had never experimented with sex toys. Not surprisingly, fewer women (5 per cent) have used it.

KINKY FOODS

In India, food and sex are a no-no on the same palate, clearly a mind-set inherited both from a shortage economy and the idea of sex for reproduction. But for those who have tested the boundaries of taste, the choices are simple. For women, it's a tie between ice-cream and ice, while 14 per cent men are torn between ice and honey.
