WHAT IS FIR ?

FIR stands for Far Infrared Ray (5.6 microns- 15 microns most beneficial for human beings). Far infrared ray is part of the sunlight spectrum that is invisible to the human eye. Far infrared waves are thermal. In other words, we experience this type of infrared rays every day in the form of heat. Unlike ultraviolet light, FIR is harmless to the body.

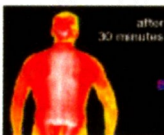

Before Blizz

After 10 Minutes

After 30 Minutes

The improvement in Blood Circulation is **SIMPLY AMAZING !**

BLIZZ FIR SPOT REDUCTION - NON INVASIVE MESOTHERAPY

Blizz Non Invasive FIR Mesotherapy® is totally non invasive, No needles, No knives, No surgery, No anesthesia, No pain, No side effects, assured results in every sitting, minimum of 6 - 9 cms immediately, and further more thereafter, as the fat busting process is continuous.

- It can be done in any specific areas of the body, like tummy, back, thighs, love handles etc.

- The fat is removed by natural excretion process of the person him/herself, through their normal excretion processes. No cut or micro injections as it is, truly non invasive.

- The actives are natural oils of plant origin and approved, licensed formulations hence no side effects.

Benefits: Skin Tightening • Fat & Cellulite Reduction
• Removal of Unwanted Appearance of Fats in Stubborn Areas
• Healthy Skin Tone & Texture

BLIZZ DETOX CABINS True FIR Sauna

The Blizz Spectral detox cabin is an apparatus which emits a specific wavelength of rays (Far infra red rays 5.6 to 15 microns) invisible to human eyes but beneficial to the human body, a deep penetrating heat which is of the same resonant wavelength of the water molecules, it activates the water molecules present in the human blood (about 85% of human blood is water) increasing the blood flow and oxygen absorption rate, enriching the organs of the body, being the same wavelength emitted by a healthy human body 8-11 microns.

Blizz FIR Detox cabins have excellent build quality with the best raw materials and come with a life time service warranty. A Blizz Far-Infrared Detox session is the most effective method to push out those unwanted toxins from your body.

You will be rewarded after each session by truly detoxifying, stress relieving while you rest in comfort and leisure. Each experience will be amazing.

Now you can buy a Detox Cabin for your home use also !
