

Guru Nanak Fifth Centenary Schools 40 YEARS OF EDUCATIONAL EXCELLENCE

GURU NANAK FIFTH CENTENARY SCHOOL is an ISO 9001:2000 certified English medium, residential School, run on Public Schools lines. Affiliated to the Council for the Indian School Certificate Examinations, New Delhi, the School imparts education, along most modern lines, to boys and girls, from KG to ISC (Class XII) in Arts, Commerce and Science streams.

The School was established amidst the picturesque hills of Mussoorie, also known as "THE QUEEN OF HILLS", by late S. Mehtab Singh ji, as a souvenir to the Fifth Birth Centenary of Sri Guru Nanak Dev ji in the year 1969. It is now an internationally acclaimed ultra-modern, excellent institution of the Country. The School is spread over sprawling area of around 80 Acres and divided into two separate campuses with totally independent facilities of living, academics and extra curricular activities, for Boys and Girls.

The Schools are equipped with multi-media labs, a resource centre and language labs. The Schools have continuously achieved 100% results in the Boards. Besides Academic success, students have bagged Inter-school debate trophies, for English and Hindi, regularly. Besides, games like Gymnastics, Football, Cricket, Hockey, Tennis, Boxing, Fencing, Karate, River Rafting and Parasailing are also available.

Most Children have necessarily to go on Tours & Travels, and thus opening new vistas of knowledge and exposure.

The Schools run independent messes offering nutritious vegetarian food, and

well-equipped infirmaries are provided in both the campuses. There is a visiting Doctor and a Dentist, and it is generally said amongst parents that the School provides better diagnostic facilities than those at home.

Besides providing academic and physical activities, the GNFC Schools also prepare students, through spiritual development and by delving deep into Indian traditions, followed by Divinity and value based education. Students at GNFCs are well versed, trained and balanced in their learning of the Indian languages, including Hindi and Punjabi, and also Indian Gurmat Sangeet. They are exposed to the teachings of the great Spiritual Masters, and learn caring, sharing and elevation of their personal lives.

Pestle Weed College AN INTERNATIONAL RESIDENTIAL SCHOOL WITH A DIFFERENCE

Pestle Weed College is a Co-educational, fully residential; Senior Secondary Public School affiliated to the Central Board of Secondary Education (CBSE), conducting classes from standard I-XII, preparing students for Science, Commerce and Humanity streams at the senior secondary level, with a teacher student ratio of 1: 8.

Situated in the Doon Valley in a sprawling 50-acre campus and surrounded by evergreen Sal Forests, our students are privileged to enjoy what is denied to most of their contemporaries - constant and rejuvenating proximity to nature. The uniqueness of this picturesque campus is having the primary, secondary, higher secondary and professional education all under one roof. The school caters to the need of higher education with courses such as BBA, BCA, B.Sc. IT, & B. Com with placement facilities.

Established in 1992 and having ultra-modern infra-structure including spacious and well-ventilated class rooms, vast play-grounds, well stocked library and well-equipped labs, we are proud to say that remarkable progress has been made within a brief span of eleven years. The tireless and never ending efforts of a team of hard- working, sincere, dedicated resident teachers and allied staff well-versed in the latest techniques of education, have made possible the dream of making this school "An International School with a Difference".

The students on the rolls include NRI children and others from across the globe such as Middle-East, South East Asia, America and European nations, making our school a truly International family having nearly 40 to 45 % students from

above mentioned countries.

Education is the very bedrock of a cultured society. It must endeavor to instill in the life of every student all the essential norms, all the important decencies and decorum of a systematized way of life. We strive towards this goal and encourage our children to develop initiative, daring and an enterprising outlook.

Discipline, which is the hall mark of success and various other qualities like self-reliance, self control, confidence and determination are imbibed through Games and Sports. So the playground itself becomes a school, imparting the best education to our students. Games and Sports form an integral part of education at Pestle Weed College. The best of facilities are provided for various games - both indoor and out door -like Football, Basketball, Cricket, Badminton, Tennis, Squash, Horse Riding, Swimming, Skiing, River-rafting, Para-sailing, Boxing, and Martial arts. Various club and House activities are also organized to nurture a healthy spirit of competition among students.

We consider it our responsibility to make our students good before making them smart and for the realization of this goal; we have included Value Education as a part of the curriculum.

We strive to provide our children at Pestle Weed College" a home away from home". In keeping with our motto 'Introspect, Create, Nurture, Succeed', we encourage our students to make judicious use of their time and talents. They are constantly reminded that genius is one percent Inspiration and ninety-nine percent Perspiration.
