

Doon Public School

A WORLD CLASS SCHOOL

Doon Public School is an English – medium, co-educational, Senior Secondary School, situated in the 'Paschim Vihar' area of West Delhi.

The school is housed in an imposing red brick structure with state-of-the-art facilities and is presently celebrating its "30th year" of service to the nation. The school is affiliated to the CBSE and has acquitted itself well with excellent Board results over the years.

Doon Public School provides its children with ultra modern facilities, essential to impart quality education. To facilitate students with new modern techniques in learning, verifying and visualizing mathematical concepts through educational aids and interactive guidance of teachers. The First Math Lab of India of NIIT e guru has been installed in the school. The latest to be introduced in the school is Video Conferencing through satellite, a facility which will help students learn and interact with the best of teachers from all over the world. The school has become the first school in India to have computer Aided Teaching and Learning through Smart class using "Plasma – Screens" and SAS [Smart Assessment System] in every classroom.

The school also offers the latest educational technology in the form of WI – FI (Wireless Fidelity) Multi-Media computer Lab, including TFT Monitors, the "Language Lab" for improving the student's communication skills. "Digital Library" of more than 15,000 books online is an addition to the existing Library. School also houses a "Biotechnology Lab", which is a state-of-the-art, set up with facility for "tissue culture", "Mathematics Lab" of the school teaches the abstract mathematical concepts to the children, 'Fashion studies

Workshop' trains the students in the theory and practice of garment manufacturing. The school offers a slew of co-curricular activities, vocal and instrumental music, games and athletics. A 'well – equipped gymnasium takes care of the physical fitness.

The school has also extended its contribution to social concerns such as Mother Empowerment Scheme and providing free computer Education to the poor children. Marching ahead on the road to success, under the able guidance of M G Vasani – the Chairman and Mr Sarat Chandran – the Manager, Doon Public School positively holds a mirror to a bright and resplendent future. It is a school run by the Educationists, whose motto is appropriately "EXCELSIOR".

श्री Venkateshwar International School

"EDUCATION IS NOT PREPARATION FOR LIFE; EDUCATION IS LIFE ITSELF"

SAILANDER SOLANKI
Chairman

श्री Venkateshwar International School believes in the motto "Value, Integrity and Strength". Set up in the year 2006, श्री Venkateshwar International School is the 2nd School by Shri Rajpal ji – the invigorating force behind the foundation of this school. The School has eminent educationists, bureaucrats, professionals and intellectuals as Members of the Management Committee and Advisory Board. Mr. Sailander Solanki is the young and dynamic chairman, actively involved in propelling the school in achieving its aim of fostering a more realistic education – preparing young minds to be the global citizens of a new tomorrow. The school has grown in a short span of time to its gigantic reputation and is considered among the popular schools of Dwarka.

The School has a majestic air-conditioned building, uninterrupted power supply, broadband connectivity, RO filtered water, modern class rooms and an auditorium equipped with latest audio visual facilities. The school has fleet of comfortable air conditioned Volvo buses covering Dwarka and areas of West & South West Delhi. श्री V.I.S greatest strength is its outstanding team of dedicated and enthusiastic teachers, catering to the unique needs of the young minds. The school matches its quintessential values with new-age

teaching methods. Each class room has a LCD TV and Computer as a teaching tool. The school has online interactive technology for effective and instant communication between school and parents. श्री V.I.S aim is to provide innovative and activity based methods. The curriculum is scientifically designed to stimulate the intellectual abilities and strengthen the basic concepts through investigation and experimentation among the students. Teachers in each grade level impart lesson teaching through display of relevant websites, interactive multimedia clips, presentations and other reference on the SMART Interactive Whiteboard to reinforce key concepts and engage students in group discussions. To enhance the teaching skills they have regular workshops for Teachers' empowerment. The school has initiated for student-teacher exchange programme under UKERI (United Kingdom India Education Research Initiative). श्री V.I.S has always been known for its vibrant and cultural school activities, celebrations of festivals, special assemblies. The students are exposed to lot of in house activities like Dramatization, Creative writing, extempore, debates & plantation. The school regularly organizes skill based tests – Olympiads, Asset and Spell Vocab. Besides music, dance and art & craft classes we have introduced classes for sitar, flute, & synthesizer. The school aims at providing ample opportunities for overt expression of the children's sporting aptitudes in games and sports besides inculcating discipline and initiating them towards health and fitness. The School has a well defined sports faculty including swimming, basketball, skating, football, volleyball, yoga and other sports. श्री Venkateshwar International School is a welcoming threshold for tender minds to ultimately take shape as future global citizens with holistic personality, ethical values and a technological edge to the challenges of the emerging society.
