

Scottish High

Next Generation Schooling

Scottish High International School is a symbol of the next generation schooling. Perhaps the only long day boarding school from 8:00 am to 4:30 pm, where the students are welcomed to the sonorous tune of the bagpiper in Scottish kilts & tartans. The school is an aesthetically designed architectural marvel in a typical Scottish style with modern facilities befitting this technological era. It is located in the heart of Gurgaon and is spread over 5 acres of land with beautiful landscaping and lush green lawns.

The school provides the best known national and international curricula under one roof - ICSE, ISC, IGCSE from the University of Cambridge and the International Baccalaureate. The school is a partner in Global Education leadership foundation (GELF),

partner with TAISI and an authorized centre for Teacher's Training by the University of Cambridge. Such diversified academic curricula gives ample opportunity to students in paving a path of choice ability and talent for themselves.

As you walk through the majestic building entrance into the reception one finds the vibrations of energy, enthusiasm and positivity with smiling faces and warm greetings. A walk through the corridor reveals smartly turned out students and staff full of confidence and pride. Much of this seems to come from the unique "Clan System" of the school. Following the tradition of actual existing clans in Scotland the students, teachers and parents are a part of the Anderson, Boyd, Macarthur and Lamont Clan where the Clan parent, Clan elder, houseparent and
