

## The Volkswagen Passat.

It just envelops you in comfort. Its 6-speed automatic DSG gearbox anticipates your moves. Its headlights turn before you do. It offers separate 'His' and 'Hers' climate zones. Its 12-way adjustable seats remember how you sit, and even slide back to let you slide in behind the Reach-and-Rake adjustable steering wheel. You can almost hear it whisper, "Would that be all, Sir?" **German engineering. Overwhelming Comfort.**
