

What began as our Founder's dream is now a growing and thriving reality; with a dynamic learning environment, The Sagar School represents a co-educational tradition of academic excellence with a mission to Teach, Nurture and Encourage.

A dynamic learning environment providing an all encompassing educational experience

- 157 Acre Campus, about a 2 hour drive from the Delhi Airport
- Co-educational and Boarding
- Affiliated to the CBSE, Classes IV to XII

Experienced and dedicated faculty from India and Overseas

- Progressive and Challenging Academic Curriculum
- Student teacher ratio of 8:1, Class size upto 24
- State-of-the-art Media Centre, Laboratories and Library

A new world opens outside the classroom

- International Award for Young People, Social Service

- Exchange Programmes and Expeditions
- An Auditorium and Amphitheatre
- Observatory and Radio Station under construction

A system that builds camaraderie across all age groups, cultures and nationalities

- Students from over 3 Continents and 10 Countries
- Air-conditioned Hostels, Multi-cuisine and Balanced Meals

Sagarians are spoilt for choice with innumerable sports and games

- Indoor Sports Centre and a Solar Heated Swimming Pool
- Synthetic Tennis and Fiberglass Squash Courts
- 400M Running Track

" Geography? I learnt about the Himalayas on a trek to Mansarovar."

- Ameeta Singh, Class XII
