Rajesh Dua

■ **LANGUAGE INTERNATIONAL-** is a leading and an upcoming institute in teaching Foreign Languages. Started by founder Mr. Rajesh Dua in 2008 who knew that, knowing a foreign language, is indispensable in today's globalized world. The institute's tireless mentor Mr. Rajesh Dua constantly wants to improve the way languages are being taught, thus making these teaching methods more applicable to the evolving needs of an ever growing unemployed and so called elite public. Mr. Rajesh Dua's views:- My constant efforts have been paid off by the institute successfully providing these courses designed to train their students so that they don't lack finesse and understanding of the language. In India's scenario, the world is going through deadly recession, where we've realized that the highest paid personnel in today's world-full of professional's viz M.B.A's and engineers are frequently not those who know most about their field, but the person who has technical knowledge plus the ability to express ideas in any required language. This added knowledge of a foreign language can help an individual for higher earning power in upcoming foreign M.N.C.'s, embassies, tourism industry, hospitality industry etc. I hope that the institute will instill a sense of confidence among the students and heighten their proficiency in this recession hit economy.

■ **VIDYASAGAR CLASSES-** The name Vidyasagar Classes has been associated with high quality coaching programs for various entrance examinations. Our journey started in 1985, with coaching program for IIT Entrance. Introduction of Crash Course for AIPMT in 1987 was a major landmark. We pioneered coaching program for MHT-CET (Maharashtra Medical and Engineering Entrance) introducing classroom and correspondence courses, which became trend setting and produced rank holders every year. In 1997, we created coaching programs for MD/MS/MDS entrance examinations of All India and State level, under a separate division "Vidyasagar Panacea". Coaching for AIEEE was introduced in 2004 and in 2009, AIPMT & AIEEE courses are rejuvenated. From

2006, our dedicated division, VIGS, has been training doctors/lab professionals in Medical Genetics. We are relaunching coaching programs for MBA entrance exams of various institutes. We have launched Foundation school programs for VIII & IX standards focusing on development of conceptual and analytical skills in Maths and Science. These programs based on CBSE / ICSE / IB syllabus will serve as firm stepping-stones to excellence in school level competitive exams (eg. Homi Bhabha etc) and college level competitive exams (IIT-JEE, AIEEE etc). As of 2009, we are catering to approximately 10,000 students.
