Green Buildings that reflect our philosophy of 'Think Green. Live Green.'

THE **3C**
COMPANY

THINK GREEN. LIVE GREEN.

Residential | SEZs | Education
IT Parks | Commercial

Pledged towards reducing the carbon footprint on earth, The 3C Company is the pioneer in conceiving and executing Green Developments in Delhi and NCR. The Company has set very high standards and created benchmarks in the concept of GREEN ARCHITECTURE. With the prime focus on delivering state-of-the-art energy efficient buildings, the group has already delivered over 12 Million Sq. Ft. of niche developments. Under The 3C Company umbrella, this is the only team in Asia, which has to its credit **Three *PLATINUM RATED LEED Certified GREEN BUILDINGS** by USGBC (United States Green Building Council), namely the WIPRO Campus in Gurgaon and the PATNI & GREEN BOULEVARD Campuses in Noida. The 3C Company has been creating buildings that are truly sustainable in form, function and use. These sustainable developments not only use far lesser natural resources and energy in the process they are built, but are also more durable and require lesser maintenance. Along with the realty verticals, The 3C Company is also contributing towards providing world-class educational facilities for young minds by developing and successfully running the **LOTUS VALLEY INTERNATIONAL SCHOOL**, Noida.
