WATCH OUT FOR THE INDIA TODAY NEWSMAKER 2009

The person who has not only dominated the news but whose ideas and actions have made a difference to the life of the nation in last 12 months—for better or worse. What matters in our selection is not the candidate's importance but his or her influence. Our package includes: the definitive portrait of the person—the style, the mind, and the worth. Our argument will be complemented by exceptional visuals. Plus a list of the runners up.
