

EYES ON THE BALL

What does the non-resident wife of a chief minister do to make her presence felt? Simple: she finds a noble cause and flaunts it. And so Payal Abdullah is organising what she ambitiously refers to as Delhi's first ever Charity Ball. The idea is to raise money for the marginalised. Apparently, the guests come with 'political sensitivities' so it's all very closed door. Oh dear.

SISTER ACTS

Siblings rarely have twin talents. Kajol's sister Tanisha Mukherjee may have been in the wilderness for a while but work seems to be too much for this precious wannabe. She fainted while shooting for the film *Be Careful*. Give it a rest.

Natasha Takia wants to ride on the back of elder sister Ayesha Takia. And even before she has a film to her name, the big sister is going all out to promote her. How about some action first?

"I'll be naked in front of my fans in my birthplace"

The god of Bhojpuri films, Ravi Kishan, is turning into a sex god. In *Man From Banaras*, the aghori sadhu will bare all in a steamy sex scene.

Q. How did your wife react to the nude scenes?

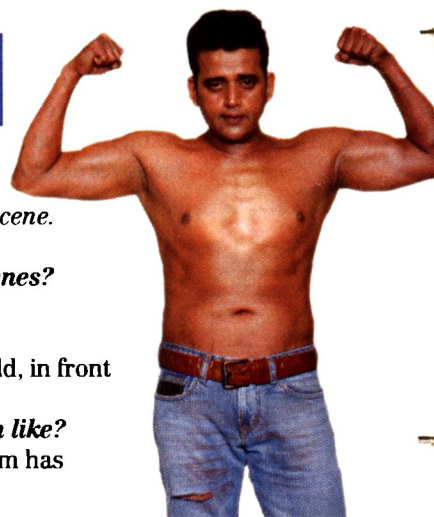

A. I'm sure she'll chase me with a stick.

Q. Are you nervous about going nude?

A. Of course! I'll be naked in the freezing cold, in front of thousand fans in my birthplace.

Q. How has the experience of the film been like?

A. I'm a priest's son from Banaras so the film has been a journey of self-discovery for me.

There is an Alternative

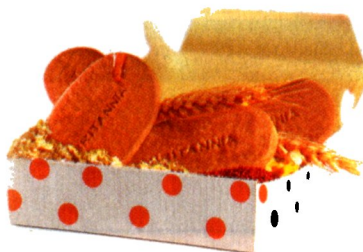

Rajiv Pratap Rudy, the BJP spokesperson, seems to have found the perfect exit route should the party hit turbulence again. He can take off for calmer shores on an IndiGo Airbus A320. Rudy has been flying the plane as a junior co-pilot since he got his licence earlier this year. After Rajiv Gandhi, he's only the second Indian political leader to fly a commercial airline. New wings are just what he needs.
