

INNOVATION
SUN-BAN

➡ Spot on perfect for the man on the go, the Anti-UV shirts are an innovation by **Park Avenue** to keep the sun at bay

These shirts are made with a fabric that is perfect for a hot summer's day. Thanks to **Park Avenue's Anti-UV Shirts** that protect skin from the harmful Ultra Violet Rays of the sun. These shirts are powered with special powder filaments that make the fabric capable of scattering damaging UV Rays, making it a great year-round buy
