TARSEM KUMAR GARG
CHANCELLOR

We strive to achieve excellence in education with a motive to bring glory to our nation.

Established in the name of Maharishi Markandeshwar, the MM University is the first self-financing Deemed University in Haryana, where institutions are already known for excellence in higher learning, imparting value-based, career-oriented professional education. Over the years, the MM Institutions (now designated as University by the Govt. of India) have grown into a leading educational centre in northern India widely recognized for its latest infrastructural facilities, vibrant campus, and academic excellence in the fields of technical and medical education.

Living as we are in an age of rapid developments in science and technology, acting as major determinants in the evolution of processes, systems, society and humanity, we enable our young minds to grab emerging opportunities offered by the phenomenon of globalization. Our young men and women have the intelligence, talent and potential to become the most successful people in the world. The MM University possesses the necessary know-how to spruce up our future professionals, sharpen their abilities, and actualize their potential. Every care is taken that they become not only successful professionals but also ethical and responsible members of society.

We invite our young men and women endowed with inquisitive minds and high professional aspirations to come forward and join us to become precious members of the MM Knowledge Pool.

*With an option to move out with a degree of B.Tech/BHM&CT after passing 4 years of the course.

** With an option to move out with a degree of BBA/BCA/B.Com/Diploma in Engg. after passing 3 years of the course.
