

SWARNIM GUJARAT

50 years ago a seed was sown for
a Golden dream called Gujarat.

Many sacrifices were made ,
many lives were lost yet the
brave Gujarati kept
marching on.

Today at the threshold of
a new dawn **Golden
Gujarat** stands on the
shoulder of many visionaries
and unsung heroes.

But the journey hasn't ended yet, the
dream of a brighter, unchallenged
tomorrow still lives on.
