

# EXCELLENCE IN MANAGEMENT AND HOSPITALITY EDUCATION IIMT'S CONTRIBUTIONS

## Schools at IIMT

IIMT is an institution of higher learning since the year 2000 and focuses on services industry. IIMT has established the following three schools:

- **School of Hospitality and Tourism Management,**
- **School of Management and Entrepreneurship**
- **Umak Business School.**

These schools offer undergraduate and post graduate programmes of study leading to award of degrees / diplomas in various disciplines. Other than this each school promotes research, consulting and executive training in their chosen areas of excellence. Each school has its dedicated staff and other resources and is governed by separate Academic Councils to direct their academic pursuits.

## Final Placements and One Year Internships: An Integral Part of IIMT Programs

100% placement assistance is provided for all programs offered at IIMT Gurgaon. One year supervised work experience is an integral part of the hospitality programs offered at hospitality school at IIMT. For last ten years the students have taken paid internship at some of the best hotels across the globe. The students have interned at some of the following hotel properties as mentioned below. However for the last two years the opportunities in UK have been restricted on account of visa regulations.

## Placement for Business Students at IIMT

IIMT offers campus placements at the end of the BBA (Hons.) programme. Typically a BBA (Hons.) graduate could get employment opportunities in different segments of industry such as information technology, banking, retail sector, advertising firms, consulting firms, export houses, consumer products organizations and office automation companies just to name a few. The placements may be offered in diverse areas such as marketing, finance, HR, operations and so on. Our students have been recruited in MNCs such as *Standard Chartered Bank, Hewlett Packard, Centurion Bank, American Express, KPMG, Keane India, Cushman & Wakefield India Pvt. Ltd. & Max New York Life Insurance* and others.

## International Trip for BBA Students

An international trip will be organized by IIMT which will involve both educational experience and cultural immersion as well. It will involve a trip to either USA / U.K. / Europe / Singapore / South Asia destination.

The visit would involve not only industry visits but also meeting with the industry and interacting with local universities. This would help understand the global business climate.

Recent internship opportunities have been in South Asia, Middle East and India with leading International hospitality brands.
