

Alto Refreshed.

Shift to a refreshing drive with the Alto. To start with, the fuel gauge is now digital. The new improved mileage, at 19.73 kmpl*, ranks best in its class.

And with smart changes to the interiors, the car now adds a dash of freshness to your lifestyle. But, it's not all about looks! The Alto now matches up to BS IV norms; a fresh start for the environment as well. It is time for a refreshing change. That too at the same price. Let's go.
