

Sometimes, Four Is Greater than Six or Seven

Take a closer look at the Business Class seats on our new A330s that will redefine comfort aboard wide body aircraft. Every seat in Business Class has aisle access with just four seats in a row. And its pitch of 81" offers spacious legroom for everyone, including those who are 6'10" tall. Enjoy the world's finest selection of in-flight entertainment on our custom-built Thales 15000 in seat audio video on-demand (AVOD) system and Rockwell Collins Tailwind Live Satellite TV on individual 17-inch LCD flat monitors. Top that with Wi-Fi facility, laptop charging, SMS, phone and email access from your seat. Are you ready to mix business with pleasure?
