## Wrist Wonders

WHEN IT COMES to gifting gold, make sure you dish out a headturning piece. This gold peacock cuff is full of ancient decorative designs of peacocks and set with emeralds. But the cut is extremely modern, a hot accessory to match any ensemble. This exquisite ornament comes from the house of Mirari Jewels and is a must have for those who love to make statements.

## His and Hers

THE COLLECTION OF Jose Carreras pens by Chopard combines passion and meticulous expertise. Elegant and valuable, these limited-edition models embody the rich creativity of style. The lady's pen is decorated with a delicate gold lace over a vermillion background. The gentleman's pen is a subtle variation in fine silver and black resin.
