

IT'S TIME TO CELEBRATE THE FUN FEARLESS SPIRIT AGAIN!

64 editions. 100 countries. 200 million readers across the world. Is it any wonder then that when it comes to girls, Cosmopolitan is universally acknowledged as The Bible. From celebrities to the girl next door, Hollywood to Bollywood, the world knows, loves and respects Cosmopolitan as being and knowing What Women Want.

Last year, to celebrate 12 wicked, irreverent, fun years in India, we brought to India a cult event that celebrates the true spirit of being a Cosmo girl—the Cosmopolitan Fun Fearless Female Awards!

We celebrated the biggest names in the country, from Sushmita Sen to Katrina Kaif, and Sania Mirza, among others, at a spectacular, Cosmo-style red carpet event in Mumbai. Now it's time for the 2nd edition of this fabulous event—bigger, bolder, better! Watch this space for details on Cosmopolitan's Fun Fearless Female Awards 2009! While the Cosmopolitan Editorial Board will select winners in 14 categories, we've thrown open 3 very special categories for YOU—to vote for YOUR choice of Fun Fearless Females and Males! Check out the nominees below—and send in your votes NOW!
